“A GOURMET MEAL WITHOUT A GLASS OF WINE JUST SEEMS TRAGIC TO ME SOMEHOW” - KATHY MATTEA

We present the Life's Kitchen Wine List 2026

The vast majority of our wine is bought to be consumed as an accompaniment to the outstanding range of food served by the talented Chefs at Life's Kitchen. We'll always strive to seek out some fascinating examples of new and old-world wine that complement our menus, whether you are attending a banquet with hundreds of fellow diners or dinner for ten.

Significant change has been made this year to our fixed price wine packages, allowing increased choice within the same price bracket and also a choice between port and dessert wine on our Livery Plus package.

We have striven to find reasonably priced food friendly wines from both New World & Old. Particular recommendations for 2026 include a superb value new listing from Petit Chablis and a fabulous Primitivo from Italy that just sings with our beef main courses.

We hope you enjoy these wines as much as we do. We do have a separate fine wine list available on request.

All prices listed are per bottle and exclude VAT

FIXED PRICE DRINKS PACKAGES

Our ever-popular fixed price drinks packages are an ideal accompaniment to larger banquets & Livery functions and are also most suited those clients working to a fixed budget.

All packages are priced on the basis of fixed consumption levels of one glass and one top up of reception drinks, half a bottle of wine per person served through the meal and a glass of port at the end of the meal.

Iced water is also provided with the meal as part of those packages that do not include mineral water.

Following extensive work with our wine partner and analysis of customer feedback and sales data, we have increased the choices on our Livery and Livery Plus packages and then added a number of items to our full list. **Our team will gladly provide a bespoke package price for any of the wine combinations listed here.**
